AUCTION SALE XXI

MAIL BID ONLY

CLOSING 5:00 P.M., FRIDAY, MAY 24, 1985, RIDGEFIELD, CONNECTICUT 06877

TERMS OF SALE

All lots are guaranteed genuine and as described.

No commission will be charged for executing bids. Mail or telephone bids will be accepted from customers known to us. Unknown bidders must deposit 25% of their bids. Deposits not used will be immediately refunded.

All bids must be received at P.O. Box 38, South Salem, New York 10590, on or before May 24, 1985, and any telephone bids before 5:00 P.M. Eastern Standard Time, at our Ridgefield telephone number, (203)438-0396. Preference is given to the first mail bid received in the case of identical bids. Lots will be awarded to the highest bidder and at his bid price. Bid the amount you are willing to pay for each item. Auction sales are not approval sales. Bidders must be responsible for their bidding and for payment of their invoices upon receipt. Title remains with Alex G. Malloy, Inc. until paid in full. Lots will be sent only upon receipt of full payment.

Each buyer will pay for postage and either insurance or registry fees via U.S. mail. Connecticut residents will pay Connecticut Sales Tax unless a Connecticut resale number is on file before the closing of the auction.

No lots may be returned without permission.

We cannot be responsible for any errors in bidding. Please make sure each bid is correct.

The valuation noted with each lot is an estimated price based on international market values. These are not reserve limits. Prices realized may be higher or lower than these valuations. However, bidders should assume that all lots have confidential reserves. These reserves are below the estimated prices.

A circular rubbing of a coin or seal, likely from the Yuan Dynasty. The central figure is a seated person, possibly a deity or a ruler, wearing a tall, ornate hat and a long robe. The figure is surrounded by a circular border containing Chinese characters. The rubbing is dark and shows significant wear and tear, with some areas appearing lighter and more eroded than others. The overall shape is circular, though the edges are somewhat irregular.
